# RComm launches 20p a min plan

**Mumbai, Dec 24:** Reliance Communications on Thursday launched two unique 'Simple' promotional packs for its GSM and CDMA subscribers across the country.

With these packs, Reliance Mobile customers can call any other Reliance Mobile (GSM or CDMA) anywhere in India at any time of the day for just 20 paise per minute, a release said here. A recharge of Rs 27 will

**Reliance Mobile customers can call any other Reliance Mobile (GSM or CDMA) anywhere in India at any time of the day for just 20 paise per minute, a release said. A recharge of Rs 27 will give subscribers further tariff benefits**

give Reliance Mobile subscribers special tariff benefits for calling to any local Reliance Mobile and the Rs 77 recharge offers the same benefits for both, local as well as STD calling, the release said. Both these packs are valid for a period of 30 days and have been made available from December 23 one-recharge, it said.

Customers subscribing to these on-net packs will enjoy a tariff of 20p/min for calls to Reliance mobiles while calls made to mobiles outside Reliance network (CDMA & GSM) will be charged as per their current tariff plans — be it pay per second, pay per minute or pay per call, the release said.
